#### Electric Non-Residential General Service - Optional Demand Rate

Rate Code: 707

---

##### Applicable:

General Service customers for all electric uses in one non-residential establishment adjacent to an electric distribution circuit of adequate capacity. Existing customers served under another rate schedule or new customers with expected usage less than 20,000 kWh for 12 consecutive billing months can qualify for service under this tariff. No resale of electric service is permitted hereunder. Service hereunder is also subject to Company's Rules and Regulations. The metering for all customers choosing to participate under this tariff must have demand measuring capability and therefore enrollment may be limited to 25 new customers per month. This program is provided on an experimental basis.

##### Character of Service:

60 Hertz alternating current, 120/240 volts, single-phase, through one meter and one point of delivery. Three phase service is available in accordance with the Rules and Regulations and Excess Facilities Charge.
